Breaking Hearts (Full Hearts) (Volume 4) MJ Summers

18+ Contains Explicit Sexual Content Another unforgettable page-turner from MJ Summers . . . Three years have passed since handsome, devil-may-care Trey Johnson betrayed his cousin, Cole, and left the family ranch in Colorado behind. Guilt-ridden, a reformed Trey has kept his nose to the grindstone and has done his best to distance himself from his reckless past. Now he's shocked to discover that he is about to become a full-time father to his son, a child he barely knows. Travelling to Brazil, Trey embarks on the fight of his life in order to bring his little boy home. Broke and very much alone, the last thing he expects is to find himself falling for Alessandra Santos, his son's nanny. The sparks between them fly, but is there too much at stake? Alessandra, obedient daughter and top law student, always does what others expect. Whether trying to meet the expectations of her hard-nosed mother or the unreasonable demands of her employer, Alessandra finds it almost impossible to reach for what she really wants. But now that Trey Johnson has sauntered into her life, she will have to find her true voice or lose him forever. Joined by the fate of a little boy, Alessandra and Trey must decide if they can find a way to open their hearts to each other or turn away from a chance at love.

PRAISE FOR MJ SUMMERS MJ Summers is slowly killing me. First she wrote a book about a sexy cowboy and now she's written one about a sexy Frenchman. I loved Breaking Love and it was worth every one of the 5 stars that I gave it. ~ Karen, A Thousand Lives Book Blog "I inhaled this book... Riveting sexual heat... a delicious and definite five star read." ~Jennifer Sage - Author of The Guardian Archives Series "A fun, often humorous, escapist tale that will have readers blushing, laughing and rooting for its characters." ~KIRKUS REVIEW of Breaking Love What other authors so often fail, MJ championed in this book: in many books this long process of will they/won't they is just too long and after some time it loses the whole appeal, but here... it was not flat or boring for a second, it was all the time gripping and had you on the tips of your toes. Altogether, the book has made a fascinating, steamy... quick read. Why quick? Well, because I couldn't put it down, so engrossed was I in Megan and Luc's lives. It is a brilliant love story written with a lot of feeling and understanding.... MJ Summers can really write a hot romance with great characters in it, full of misunderstandings, twist and turns, heartbreaks and hurt but still with a lot of joy and that is a great entertainment. I have really enjoyed this book and will be keeping my eye on MJ Summers in the future. ~ On My Book Shelf Review Blog

It means that it can to get your friend when you truly feel alone and beside associated with course make you smarter than in the past. Yeah, it is very fortunated for you. The book makes you a lot more confidence because you can know anything by the book. So , let me make new experience as well as knowledge with this book.

John Herrera:

Reading a guide tends to be new life style with this era globalization. With examining you can get a lot of information that can give you benefit in your life. Having book everyone in this world could share their idea. Books can also inspire a lot of people. A lot of author can inspire their own reader with their story as well as their experience. Not only situation that share in the textbooks. But also they write about the knowledge about something that you need example of this. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors on this planet always try to improve their proficiency in writing, they also doing some analysis before they write with their book. One of them is this Breaking Hearts (Full Hearts) (Volume 4).

Richard Starkes:

A lot of reserve has printed but it is unique. You can get it by web on social media. You can choose the very best book for you, science, comedy, novel, or whatever by simply searching from it. It is identified as of book Breaking Hearts (Full Hearts) (Volume 4). Contain your knowledge by it. Without making the printed book, it might add your knowledge and make a person happier to read. It is most crucial that, you must aware about book. It can bring you from one destination to other place.

Nancy Soto:

What is your hobby? Have you heard that question when you got learners? We believe that that problem was given by teacher to their students. Many kinds of hobby, Every person has different hobby. And also you know that little person such as reading or as reading become their hobby. You need to know that reading is very important as well as book as to be the issue. Book is important thing to increase you knowledge, except your current teacher or lecturer. You see good news or update in relation to something by book. A substantial number of sorts of books that can you go onto be your object. One of them are these claims Breaking Hearts (Full Hearts) (Volume 4).
