Haden Blackman

Still haunted by the events in *Revenge of the Sith*, Darth Vader must set aside his past and put his future on hold for a mission to the mysterious Ghost Nebula. His goal is to locate--and if possible, rescue--a missing Imperial expeditionary force. But what seems a perfect opportunity to lose himself in his duty is complicated by two factors: he is paired with a willful yet highly competent co-commander, and the officer they are being sent to locate is the son of Vader's rising nemesis, Moff Tarkin.

From the Publisher: Still haunted by the death of Anakin Skywalker's beloved Padmé in *Revenge of the Sith*, Darth Vader is sent on a mission to locate a lost Imperial expeditionary force--led by the son of Vader's rising nemesis, Moff Tarkin. The danger of Vader's journey into the unexplored Ghost Nebula increases when there are traitors among his crew and the system's religious leader, Lady Saro, joins the mission. Follow Darth Vader on his quest to find the lost command!
