The Take Mike Dennis

In the world of small-time bookie Eddie Ryan, only the cop cars are black and white. Everything else swirls in a kind of gray soup. Overcome by greed, lust, and the survival instinct, Eddie takes part in a high-stakes heist, stepping into a morally treacherous world where no one can be trusted, and where life expectancy is short. Set in the dim half-light of the Houston and New Orleans demimondes, THE TAKE is a fast-paced, nerve-jangling ride. The book also includes a preview of SETUP ON FRONT STREET, the first entry in Mike Dennis' Key West Nocturnes Series, a group of novels designed to lift the lid off Key West, revealing it as a true noir city. The series takes the reader behind the margaritas and the sunshine deep into the dark shadows and alleys where the tourists never go.
