Called to War Out of the Stands...Into the Arena "Women, buy this book for the men you love! Called to War will most assuredly be compared to Wild at Heart, Healing the Masculine Soul and Raising a Modern Day Knight. Art Hobba's resourcefulness takes new ground earning inclusion in this unique fellowship of unabashed Servant Warriors. Men-of-God, saddle up; you have been Called to War! -- Marc Stein, President, Gospel Light Worldwide "This book is so needed by men today. It helped me realize how much I needed to stop standing alone against the spiritual battles I face, and lock shields with a few good men. Read it...it will strengthen you as a husband, father and as a man..." -- Dr. Terry Schroeder, Head Coach Men's USA Water Polo, 4-time Olympian, 3-Time Silver Medalist, Beijing Olympics, 2008 "That day, 50 men came forward, six or seven men at a time... The feeling in the room was pregnant with purpose, yet electrified with anticipation. Brothers in Arms watched as each new Warrior came forward to the conveyance line. They were to be received by ordinary men, now leaders, who had joined the battle months earlier. The recruits had all seen this beautiful Core 300 Challenge Coin, engraved in brilliant gold and hand painted with each piece of Armor of God. Now...it would be theirs. That day, 50 men came forward, six or seven men at a time, table by table, led by their Squad Leader. As each table came and stood in line, the other 130 men remained seated in honored silence, quietly praying for the recipients. As the weighty medallion was pressed into his hand, the words of the Oath of Conveyance were spoken. "Walk worthy", charged the leader. "So others may live" responded each new Warrior. In the embrace that followed, moist eyes met one another as they moved through the line. They knew, as they walked back to join their Squad that night, their life would never be the same."
