Wisdom Beyond Her Years J-L Heylen

Book 1 in the 'Wisdom' Series.

Ariel Connolly is a perfectly ordinary lesbian who has led a perfectly ordinary life. At 67 years of age, she's had her share of loves, and losses, and thinks she's seen it all.

Carla is an ambitious, charismatic, and powerful Security Chief in a post-apocalyptic world where lack of resources rules everything. She likes to think there's no-one and nothing outside her control.

So when researchers bring a dead woman back to life, neither Carla nor Ariel have any idea of the turmoil that is about to be unleashed around them.

Please note: this book contains adult themes, occasional coarse language, and lesbian sex scenes that some readers may find confronting.

Lesbian Meter (0-5) = 5 (girl on girl action only) Steam-o-Meter (0-5) = 4 (Nothing left to the imagination, but this is not an erotica novel) Kink-o-Meter (0-5) = 3 (when I said Carla likes to control everything, I wasn't kidding)
