Delirium Series (4 Book Series) Lauren Oliver

From Book 1:

Lauren Oliver's powerful *New York Times* bestselling novel *Delirium*—the first in a dystopian trilogy—presents a world as terrifying as George Orwell's 1984 and a romance as true as *Romeo & Juliet*.

In an alternate United States, love has been declared a dangerous disease, and the government forces everyone who reaches eighteen to have a procedure called the Cure. Living with her aunt, uncle, and cousins in Portland, Maine, Lena Haloway is very much looking forward to being cured and living a safe, predictable life. She watched love destroy her mother and isn't about to make the same mistakes.

But with ninety-five days left until her treatment, Lena meets enigmatic Alex, a boy from the Wilds who lives under the government's radar. What will happen if they do the unthinkable and fall in love?

Delirium received starred reviews from *Kirkus* and *School Library Journal*, and was named a Best Book of the Year by *USA Today*, *Kirkus*, Amazon.com, YALSA, and the Chicago Public Library and was selected as one of NPR's Top 100 Best Ever Teen Novels.

Supports the Common Core State Standards
