With the invention of the AfterNet, death isn't quite the end to a literary career it once was, and Jane Austen, the grande dame of English literature, is poised for a comeback with the publication of Sanditon, the book she was writing upon her death in 1817. But how does a disembodied author sign autographs and appear on talk shows? With the aid of Mary Crawford, a struggling acting student who plays the role of the Regency author who wrote *Pride and Prejudice* and *Emma* and *Sense and Sensibility*. But Austen discovers her second chance at a literary career also gives her a second chance at happiness and possibly even ... love.
