## **Improve Your Communication Skills- How to Read Peoples Body Language**

**One of the secrets to a successful, harmonious relationship, whether personal or professional, is communication. Having the ability to use and understand nonverbal communication can help you become a better communicator, establish deeper connections, and build better relationships.**

**The Proper Use of Body Language & Nonverbal Communication Allows Us To Do the Following:**

- Convey information about a persons true current emotional and mental state
- Enhance, modify, stress, or reinforce what is said in words
- Define or reinforce relationships and connections between people
- Provide feedback from one person to another
- Regulate the flow of communication

By understanding the nonverbal cues other people send us, we will better understand the messages and the situation, allowing us to react and approach them in more appropriate ways. If more people are able to better perceive and understand how others feel about them and the actual meaning of what they're trying to convey, they can adjust their behavior and reactions accordingly. Therefore, increasing their odds of making more social connections with others around them.

**After reading this book: Body Language Understanding Nonverbal Communication Skills you will:Be able to recognize the essential types of nonverbal communication cues**

- Know how to effectively read other peoples body language
- Know how to recognize your own nonverbal cues
- Know how to portray confidence with your body language
- Improve your people skills and be more outgoing
- Learn to recognize subtle body movements that portray how others are really feeling
- Eventually be a master at decoding other peoples body language, and effectively convey your own nonverbal messages

This book can help you be more open socially in your everyday life with friends, family, your love interest, spouse, in a business setting, or when meeting new people. Knowing how to effectively convey your messages verbally and nonverbally can help you become a stronger more confident individual.
