Fundamentals of Operating Department Practice

Fundamentals of Operating Department Practice

Fundamentals of Operating Department Practice seeks to embrace the knowledge needed for the generic theatre worker, be they nurse or anaesthetic assistant, as envisaged in the Bevan Report. It clarifies the underlying principles needed for an understanding of anaesthetic and surgical practice. It both defines the level of knowledge required for the ODP Level III qualification and covers the practical aspects of operating department practice, wherever relevant. The book also serves as a comprehensive reference to the principles and practice of modern operating department practice and is essential reading for anyone involved in care of the patient in the operating department environment, both in training and in practice.
