Joshua D. Lambert

This is a PREVIEW (the first chapter) of Finding The Boy Within. The full book explores the childhood of Joshua D. Lambert, a transgender man from Claremont, NH. As a child, Joshua felt like an outsider but couldn't figure out why he was so much different from the other kids. He figured out why at the age of 21 when he came to terms with his trans identity. Having not known what being transgender meant until college, Joshua was unable to process the frequent out of place feelings he had growing up. With the new understanding of his gender, Joshua has been able to look back on his life and piece together and make sense of his old uncertain feelings.

PLEASE NOTE: The minimum age is listed as 13 due to few expletives, HOWEVER as Joshua's story is meant to help kids who may feel the same way he felt, we urge parents to read this book first and if you deem it appropriate, please allow your under age 13 children to read it or share with them some of the stories.

Also, this is part of an unfinished book. This chapter, the cover, and the overall publishing output may appear differently in the final e-book and print versions.
