Before I Break Alec John Belle

When religiously raised Cyril Hayes begins his junior year at East Hill High School, every choice he makes suffers a greater consequence, and while facing challenges of friends, family, and love, learns that hate and intolerance are also a very large part of our world today. Cyril Hayes is seemingly just like any other male his age. He has the perfect girlfriend, Melissa Summers, his best friend, Jake Rivers, and a lawyer father who brings home enough money to support his family and then some. When Cyril begins his junior year, he doesn't expect his life to spiral out of control when he meets Avery Branson, the new kid in school who has a big secret: he's gay. At first, Cyril doesn't handle this truth well, due to the way he was raised, but as the story progresses, he ventures deep into the reality of homosexuality and begins to accept Avery for who he is. Not everyone is happy with Cyril's new friend, including Jake, who believes that homosexuality is a sin and is refusing to change his beliefs. But Avery isn't the only one at East Hill with secrets, and soon a tragedy will strike, knocking Cyril's world completely off balance and leaving a scar on his heart that will change his view of humanity all together.

From reader reviews:

Ronna Rutledge:

Hey guys, do you wish to find a new book you just read? Maybe the book with the name Before I Break suitable to you? The particular book was written by renowned writer in this era. Typically the book entitled Before I Break is the main one of several books that everyone reads now. This book has inspired lots of people in the world. When you read this review you will enter the new way of measuring that you ever know just before. The author explained their strategy in the simple way, and so all of people can easily recognize the core of this publication. This book will give you a wide range of information about this world now. So you can see the representation of the world on this book.

Catherine Gates:

The actual book Before I Break will bring you to definitely the new experience of reading the book. The author's style to elucidate the idea is very unique. If you try to find a new book to read, this book is very acceptable to you. The book Before I Break is much recommended to you to learn. You can also get the e-book from the official website, so you can read the book easier.

Harvey Lee:

This Before I Break is a great guide for you because the content that is certainly full of information for you who always deal with the world and also have to make a decision every minute. This kind of book reveals details accurately using great management words or we can point out no rambling sentences inside it. So if you read it hurriedly you can have whole details in it. Doesn't mean it only will give you straightforward sentences but tricky core information with splendid delivering sentences. Having Before I Break in your hand like obtaining the world in your arm, information in it is not ridiculous one particular. We can say that no e-book that offers you the world with ten or fifteen minutes right but this e-book already does that. So, this is a good reading book. Hey there Mr. and Mrs. active do you still doubt in which?

Jessie Adams:

As a university student, I exactly feel bored to reading. If their teacher questioned them to go to the library or make a summary for some e-book, they are complained. Just minor students that have reading's spirit or real hobby. They just do what the teacher wants, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that reading through is not important, boring and also can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this age, many ways to get whatever we really wish for. Likewise words say, ways to reach Chinese's country. So, this Before I Break can make you experience more interested to read.
