On Assignment in the old SA

Neville Petersen

On Assignment in the old SA Neville Petersen

A compilation of black and white photographs from the period 1981-1991 which I took while working as press photographer in South Africa. It was a very interesting time in the country's history just before the unbanning of the ANC and the release of Nelson Mandela. It gives us a glimpse of the headlines of the day and reminds us of faces and events long forgotten.
