In this powerful audio book, Stephen M.R. Covey articulates why trust has become the key leadership competency of the new global economy. Covey convincingly makes the case that trust is a measurable accelerator to performance and that when trust goes up, speed also goes up while cost comes down, producing what Covey calls a "trust dividend." Covey reveals the 13 Behaviors common to high-trust leaders throughout the world and demonstrates actionable insights that will enable you to shift your behavior to increase trust in all your relationships. Like a ripple in the pond, The Speed of Trust begins within each of us personally, continues into our relationships, expands into our organizations, and ultimately encompasses our global society.
