There is a call for more thoughtful, empathic, sophisticated, and wise leadership--leaders who are willing to think and act differently. In her new book *InsideOut Enneagram: The Game-Changing Guide for Leaders*, Wendy Appel guides you to change the way you see and think. She shows you how to be the leader that others trust and someone they are inspired to follow. Wendy decodes the Enneagram for you--an ancient system relevant for modern times--that will shine light on your natural strengths, your challenges, and the mostly unconscious habits of mind and desires that drive you and others. *InsideOut* turns theory into practice with relevant case studies, exercises and practices. When you bring out your best, you evoke that in others. Your self-transformation opens the possibility for extraordinary shifts to occur in your organization, community and society. Perhaps this is the most significant thing any of us can do to bring about positive change.

*InsideOut Enneagram* is more than just a book. It includes over 400 pages of fresh content, room for reflection and journaling, and tools to help you shift the way you see yourself and others--and the way you lead.
