World Transformation D. D. Jawara D. King

Human unconsciousness, which is identification with thought activity, human emotions, and the thinking mind, is the only source of ALL the evil on planet Earth. All evil is the result of humanity living in darkness, not knowing who they are in their essence, beyond their earthly names and physical forms, which causes them to identify with the world of materiality. The only solution to the darkness of humanity is the light of consciousness, which is disidentification from egoic mind structures, going with the flow of life instead of fighting against it, acceptance of what is, and surrendered action. As we continue to transform individually, the entire world is transformed, because in essence, we are all ONE. Each ONE affects the whole, causing World Transformation through the concept of ONENESS by way of the ONE spiritual energetic force that moves through ALL beings. All organized religions were created by men to condition the masses to think in a certain way, or to point beyond religious belief structures to the Infinite, the formless consciousness we call God. Accepting organized religion as the absolute truth instead of relative truth is the foundation for division and the destruction of the planet. Without the transformation of human consciousness, humans will destroy themselves, each other, and the planet, and are already doing so. If humanity continues to blindly believe the media, organized religion, and all the conditioning tools of the powerful ruling Elite who run the world, without doing their own research, they will be destroyed through lack of knowledge. World Transformation: A Guide To Personal Growth And Consciousness is a transformative book that discusses over 110 life-changing topics to help spiritual seekers in their journeys in consciousness. Learn to be the awareness that is aware of and doesn't become all that you observe. World Transformation begins one person at a time. As you change, the whole world changes, because you are a part of the ONE Consciousness. Gandhi said, "be the change you want to see in the world." As you follow his advice, you become a positive force in the world. "One of the most important books of this generation!" "One of the most profound spiritual books ever written!!" Humanity will destroy themselves if they continue to blindly believe and follow the media, politicians, and organized religion, which are all used by the ruling Elite to control the masses. Most humans don't know what's going on because they allow entertainment, the media, and other brainwashing tools to control their thinking. Mark Twain said, "in religion and politics, people's beliefs and convictions are in almost every case gotten at second-hand, and without examination, from authorities who have not themselves examined the questions at issue, but have taken them at second-hand from other non-examiners, whose opinions about them were not worth a brass farthing." Social, religious, and other forms of conditioning control the minds of humanity and will destroy them if they continue to accept ideals without analyzation. It is a fact that none of the major religious figures of organized religion actually existed. Their historicity is an unverifiable opinion. Daniel Patrick Moynihan said, "everyone is entitled to their own opinion, but not their own facts." The existence of all the Saviour Gods are questionable. Humanity only believes in them because of religious conditioning. Humanity as a whole has lost their identity in the world of materiality, also known as the world of form, or the world of things. To identify with something means to mistake a person, place, or thing for who you are, the I AM before I AM a (teacher, lawyer, doctor, student, etc.) Humans have confused millions of forms for their identity. Your invisible indestructible eternal divine essence is consciousness.
