Among the Heroes: United Flight 93 and the Passengers and Crew Who Fought Back Jere Longman

Of the four horrific hijackings on September 11, Flight 93 resonates as one of epic resistance. At a time when the United States appeared defenseless against an unfamiliar foe, the gallant passengers and crew of Flight 93 provided for many Americans a measure of victory in the midst of unthinkable defeat. Together, they seemingly accomplished what all the security guards and soldiers, military pilots and government officials, could not -- they thwarted the terrorists, sacrificing their own lives so that others might live.

The culmination of hundreds of interviews with family members and months of investigation, *Among the Heroes* is the definitive story of the courageous men and women aboard Flight 93, and of the day that forever changed the way Americans view the world and themselves.
