## **Beyond the Mirror** Ashley Weis

Your husband or boyfriend has confessed his addiction to porn, or maybe you found it on your own. Your romance is broken. Your heart is in a million pieces. And on top of that ... you can't seem to get over the aching wound that *you are not enough*.

It doesn't matter what other people tell you. There is no pain that compares to this one. The burning desire to be the apple of your husband's eye and to feel like you'll never measure up, no matter how hard you try. And is life supposed to be one big beauty pageant anyway? Where is the hope and rest? Is it even possible to feel like *enough*?

There is rest.

When our husband's or boyfriend's porn addiction comes out into the open it completely destroys our trust and security, not to mention our self-esteem. It's difficult to find the broken pieces of our marriage and heart, much less put them back together, *especially* when we have no support and we're told to just *get over it* or grow up.

*Beyond the Mirror* defines true beauty - beauty that transcends time and reflects the character of Jesus Christ vs. the counterfeit beauty that leads women down a path of endless striving. Ashley Weis, who has been down this long journey of never measuring up and then discovering her husband's lust for other women, relates to readers and challenges each of us to break the glass of our own reflections and discover the joy and freedom that is waiting beyond the mirror.

Women who want to learn how to find the beauty in the storm and feel content in who God made them to be, women who have spent their entire lives trying to live up to impossible expectations of this world and themselves, women who have felt the numbness of never being good enough ... this book is dedicated to you.
