Multimedia Companion CD (Exploring Creation with General Science) Dr Jay Wile

This is a companion CD. It is not a full course. It is designed to be used with the textbook Exploring Creation With General Science. It contains pronunciations for the technical words in the course, animations used to explain some of the more difficult concepts in the course, and videos of experiments that the student would not be able to do on his or her own. The textbook contains an icon of a hand holding a CD. Each time you see that icon in the book, you know that this CD contains multimedia related to the material being discussed at that point. CD-ROM requires PC, sound card, speakers, printer, Windows 95/NT or higher. Author recommends at least a Pentium 100 processor with 16MB of RAM.
