**Second Daughter: The Story of a Slave Girl** Mildred Pitts Walter

**Set during the American Revolution and based on a true story, Elizabeth Freeman, a young slave, sues for her freedom—and wins**

Sheffield, Massachusetts. Six-year-old Aissa and her older sister, Elizabeth, work as slaves in the home of their owners—Master and Mistress Anna. Raised by Elizabeth after their mother died, and chafing under the yoke of bondage, Aissa is a natural-born rebel. Elizabeth, nicknamed Bett by her owners, is more accepting of her fate in spite of growing anti-slavery sentiment. She marries Josiah Freeman, a freed black man, and they have a child. Then on July 4, 1776, America achieves her dream of independence from England, and in 1780, Massachusetts drafts its own constitution, establishing a bill of rights. When Mistress Anna, angered by Aissa's defiance, threatens her with a hot coal shovel, Bett takes the blow instead, and is severely burned. She walks out of the house, vowing never to come back—and takes her owners to court.

*Second Daughter* is both riveting historical fiction and rousing courtroom drama about slavery, justice, courage, and the unconquerable love between two sisters.
