## **The Acts of Philip** Francois Bovon

Francois Bovon and Christopher Matthews utilize manuscript evidence gathered within the last half-century to provide a new translation of the apocryphal *Acts of Philip*. Discovered by Bovon in 1974 at the Xenophontos monastery in Greece, the manuscript is widely known as one of the most unabridged copies of the *Acts* yet discovered. Bovon and Matthews' new translation incorporates this witness to the Greek text, which sheds new light on the history of earliest Christianity.
