Going to college can be exciting, anxiety inducing, and expensive! You want your child to get the most out of their college experience--what advice do you give? *Thriving at College* by Alex Chediak is the perfect gift for a college student or a soon-to-be college student. Filled with wisdom and practical advice from a seasoned college professor and student mentor, *Thriving at College* covers the ten most common mistakes that college students make--and how to avoid them! Alex leaves no stone unturned--he discusses everything from choosing a major and discerning one's vocation to balancing academics and fun, from cultivating relationships with peers and professors to helping students figure out what to do with their summers. Most importantly, this book will help students not only keep their faith but build a vibrant faith and become the person God created them to be.

In a nutshell, *Thriving at College* is about how college students can launch into responsible, fruitful adulthood for the glory of God against the backdrop of a young adult culture that often values perpetual adolescence and the avoidance of responsibility. It explores topics such as embracing responsibility, loving God with all your mind, growing in character and maturity, striving for academic excellence, balancing work and recreation, finding your calling, establishing godly friendships, handling the transition from high school to college, time management, financial discipline, and honoring parents while pursuing functional/economic independence.
