When Christians Get It Wrong (Revised) Adam Hamilton

More and more young adults have opted out of Christianity and the church. The reason? Christians. When young adults talk about the problems they have with Christianity and the church, they often name certain attitudes and behaviors they believe are practiced too often by Christians: judging others, condemning people of other faiths, rejecting science, injecting politics into faith, and being anti-homosexual. With his familiar style, Adam Hamilton tackles these issues and addresses the how's and why's of Christians getting it right when it comes to being Christ in the world. Those who read *When Christians Get It Wrong* will gain a different way of understanding the issues that keep people away from Christianity and keep Christians from living a more compelling faith. Because, honestly, if we don't start getting it right, we may lose an entire generation. Revised and updated in a new convenient trim size.
