Cold Barrel Zero Matthew Quirk

A CODE HIDDEN IN PLAIN SIGHT. A BLACK OPS TEAM THAT WENT TOO FAR.

John Hayes is a Special Operations legend who went rogue on a deep-cover mission and betrayed his own soldiers. Disgraced and on the run, he returns to the United States to get back to his wife and daughter and take revenge on his accusers with a series of devastating attacks.

Only one man can stop him: Thomas Byrne. He once fought alongside Hayes as a combat medic, but he gave up the gun. Now a surgeon, he moves from town to town, trying to forget his past, until he is called upon by a high-ranking government official to help capture the man he once called a friend.

Hayes and Byrne were once as close as brothers, but with the fate of the nation hanging in the balance and nothing as it seems, both men must decide whom to trust--and whom to betray. In a final, explosive battle for justice, they face off along a rifle's cold barrel.

Cold Barrel Zero brings together the blistering pace of Lee Child, the nonstop action of Brad Thor, and the richly drawn characters and moral stakes of Daniel Silva. An experienced reporter armed with deep behind-the-scenes research into America's Special Operations Forces, Quirk takes the military thriller to a new level of suspense.

From reader reviews:

Jules Thompson:

Do you have favorite book? If you have, what is your favorite's book? E-book is very important thing for us to find out everything in the world. Each book has different aim or maybe goal; it means that guide has different type. Some people experience enjoy to spend their a chance to read a book. They are reading whatever they consider because their hobby will be reading a book. Think about the person who don't like reading a book? Sometime, individual feel need book once they found difficult problem or exercise. Well, probably you should have this Cold Barrel Zero.

Alan Fan:

Book is written, printed, or highlighted for everything. You can realize everything you want by a e-book. Book has a different type. To be sure that book is important issue to bring us around the world. Adjacent to that you can your reading ability was fluently. A guide Cold Barrel Zero will make you to become smarter. You can feel much more confidence if you can know about almost everything. But some of you think this open or reading the book make you bored. It is not necessarily make you fun. Why they could be thought like that? Have you seeking best book or suitable book with you?

Thomas Palmer:

As people who live in typically the modest era should be upgrade about what going on or details even knowledge to make all of them keep up with the era which is always change and advance. Some of you maybe will certainly update themselves by studying books. It is a good choice for yourself but the problems coming to a person is you don't know what type you should start with. This Cold Barrel Zero is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and wish in this era.

Terry Myers:

Nowadays reading books are more than want or need but also work as a life style. This reading habit give you lot of advantages. Associate programs you got of course the knowledge your information inside the book which improve your knowledge and information. The knowledge you get based on what kind of e-book you read, if you want get more knowledge just go with knowledge books but if you want experience happy read one with theme for entertaining for instance comic or novel. The actual Cold Barrel Zero is kind of book which is giving the reader unstable experience.
