The story told adventure of Poseidon's sons and their war in **funny style**. Since the baby boys did not know of their own fate in the 17th birthday. The prophecy told "The god of the sea will have two twins with a mortal. The twins will battle it out to define the true Son of Poseidon on 17th birthday. Only one must live through their 17th birthday, shall both be still alive on that day, the twins will be banished forever to the depths of hell under the wings of Hades."
