Preparation covers both written and listening comprehension sections of this test in Barron's test preparation manual with compact discs. The book has been updated to reflect the continuous evolution of the AP exam. It presents a full-length model Advanced Placement Test with answers and explanations, with the test's Listening Comprehension section on one of the CDs. The book's illustrations in the speaking skills exercises are similar to those shown on the actual tests. Other helpful features include a grammar review and a Spanish-English dictionary.
