Dynasty of the Holy Grail Vern G. Swanson

Dr. Vern G. Swanson has produced a thought-provoking book on the topic of the Holy Grail and the bloodline of Jesus. His perspective on the subject has grown after reading nearly 300 books on the Holy Grail, and his 28 years of research on the topic. Going far beyond the mortally flawed best sellers, *Holy Blood, Holy Grail* and *The Da Vinci Code*, his epic book will be applicable to both Mormon and non-Mormon audiences. It is certainly the most significant scholarly tome on the Holy Grail and the bloodline yet. While it is a heavy book, in terms of weight, size, and willingness to probe deeper and broader than his contemporaries, it is easy to understand. There is a message for Christians and non-believers alike that will surprise the most skeptical and soften the most cynical. Though thorough-going the book is remarkably 'readably'
