Jurassic Park and the Bible? What in the world does anything in Jurassic Park-an action thriller about dinosaurs-have to do with the Bible? How could one of those things have anything to do with the other? And how does that relate to fellowship and relationship- whatever that means-with God? Find out how we can relate the original Jurassic Park movie of 1993-with its imposing electric fence and from its sweeping vistas of sauropods grazing the tops of trees, to its horrifying and deadly T. rex rampage-to some important teachings in the Bible, and how that can speak to our lives, especially when we focus on the character of Dennis (the sometimes ebullient pudgy guy who ran the computers in Jurassic Park).
