Juvenilia - Volume II

Jane Austen

Juvenilia - Volume II Jane Austen

Perhaps as early as 1787, Austen began to write poems, stories, and plays for her own and her family's amusement. Austen later compiled "fair copies" these early works into three bound notebooks, now referred to as the "Juvenilia," containing pieces originally written between 1787 and 1793. The 2nd volume of juvenilia includes: * Love and Freindship * Lesley Castle * The History of England * A Collection of Letters * Scraps (The Female Philosopher, The First Act of a Comedy, A Letter from a Young Lady, A Tour through Wales, A Tale)
