## Introduction

Unbroken: A World War II Story of Survival, Resilience, and Redemption, relates the harrowing tale of Louis Zamperini – called Louie – through his appearance at the 1936 Olympic Games, to his adventures as a United States Army Air Force bombardier, to his sufferings as a tortured prisoner of war by the Japanese. Louie endured an airplane crashing into the sea in which eight of his ten crewmates were killed, strafing by a Japanese aircraft while adrift in a life raft for nearly seven weeks, finally reaching land only to find it occupied by enemy forces. Louie survived these and other emergencies only to develop emotional scars which would continue to threaten his survival for years, creating more damage in his mind and his relationships before achieving redemption.
