Fast Shuffle: A Novel David Black

An old-school PI is plunged into modern danger and conspiracy in *Fast Shuffle*, a gripping mystery from TV screenwriter and producer David Black.

Harry Dickinson is a used car salesman living in Springdale, Massachusetts, who believes he is a private detective. His girlfriend, Friday, finds this charming, though she warns him not to get carried away. The local cops are becoming fed up with him. His sister and brother-in-law think he's unstable and too old for such fantasies. They want him locked up.

When Harry stumbles upon the case of a missing woman, he decides to investigate. However, the situation is far more complex-and more dangerous-than he imagines.

Turning to the authorities only makes things worse. Harry witnesses a murder, but no one believes him. With Harry and Friday on the run-hunted by the police, the killer, and even Harry's friends and relatives-their chances for survival look grim. But the man everyone believes is crazy may be the only one who can crack the case.
