M. Lawrence

For every house is built by someone, but God is the builder of everything.

Blessed are those who mourn, for they will be comforted.

Like a city whose walls are broken through is a person who lacks self-control.

Even fools are thought wise if they keep silent, and discerning if they hold their tongues.

Your dream is God's gift to you. God wants you to be wealthy and responsible with your wealth as you get it. Many people have no faith in their dream because they don't trust God. Trust God and he will give you everything you need for your dream to be fruitful.

Your dream is God's gift to you. Have faith in God, yourself, and the ability to get it. You can't think short-term. You have to think of incremental growth and long-term planning. This may build a foundation to keep your wealth. Easy come and easy go. If you get your wealth too easy, it will disappear because you did not have a foundation to protect it. Most of the lottery winners lost all the money. They had no foundation or protection mechanisms to protect the money and wealth.

Hello. 2016 is amazing! I am the author M. Lawrence. Individual wealth, foundation building, and protecting wealth is a personal issue for people around the world including myself. This is very personal to me because I've seen how many people lost all their money due to not having a foundation or ability to protect their money. Money must be protected. If you don't protect it, money will disappear fast.

This book discovers secrets, ideas, and foundation building necessary to get rich, be wealthy, and enjoy a better way of life. Your dream gives you the incentive to make that extra effort and be better than all the rest. (Here is part of the wealth formula. Read the book for more information about the wealth formula.)

1 Your Dream is the highest form of motivation and your incentive (Your dream is God's gift to you.) (See your dream as being possible.)

2 Pray to God for guidance (every day and night) and open the channel between you and God. (All things are possible with in God.) Feel the changes in your life each day. Stop bad habits that are taking away your time and give you more time to follow your dreams and goals. Learn to give up things.

3 Have faith in God by reading the bible, more prayers, and relax your mind. (God will guide you to build an unbreakable faith so you will not give up your dream.) You reap what you sow.
