A Woman Scorned (Lorimer Family & Clan Cameron series Book 2) Liz Carlyle

From its opening scene to its breath-catching climax, Liz Carlyle's newest novel is a vividly etched portrait of passion and intrigue. When a woman consumed by sinister secrets opens the door to a strikingly handsome stranger, a powerful desire rushes in -- and a love she could not have imagined.

Hell hath no fury like a woman scorned, and Jonet Rowland is surely that. But she is also lovely, rich, and -- it is rumored -- an unrepentant adulteress. When her philandering husband, the marquis of Mercer, is murdered in his own bed, it's whispered that Jonet is a femme fatale in more ways than one. Shunned by society, the daring widow steels herself to fight for what truly matters -- her children.

When his scheming uncle begs him to investigate the death of his brother, Lord Mercer, Captain Cole Amherst refuses. But it is soon apparent that treachery stalks two innocent boys, and Cole plunges into the viper's pit that is Jonet Rowland's life. Nothing could have prepared Cole for the lust Jonet inspires. But as danger swirls about them, he is tortured by doubt. Can an honorable soldier open his shuttered heart and let a wicked widow teach him how to truly love?
