Battle For Forever: Revelation (Book 2) (The Eternals) Edward Savio

Alexander Grant and his two friends have been knocked out, beat up, had stadium lights crash down on them, had people try to hack them to pieces with swords, dealt with exploding cars, poisonous umbrellas, and insane teachers wanting to electrocute them. And that's just the last eight hours. Now, Alexander has to tell his best friend and the girl he likes his secret. That although he looks fifteen, he's actually a hundred times that old.

But all of these problems are nothing compared to what's coming next. Because Alexander is being hunted by a man who wants to use him as bait to catch the only person capable of stopping a plan that would change the world forever. When Alexander learns the truth, he discovers that everything he knows, everything he believes...is a lie.

Edward Savio continues the adventures of 1500-year old Alexander Grant. Battle For Forever: Revelation is filled with crackling dialogue, unexpected turns, twists on the history we think we know, and just plain fun. One of the most thought-provoking and clever works of realistic science fiction today.
