It's All About Islam - Stupid Kafir

A Stark Message from God to All Mankind Revealed By His Last Prophet

Declaration from a God of Moral Perfection

This is an historical book totally devoid of any political correctness. The Western World is engaged in a life and death struggle with Islam. Tonight, mankind faces extinction as a species not only from global warming but also from Islam. The Last Prophet of God has destroyed Islam with just one word. The Last Prophet has brought mankind a stark message directly from God - proclaim the Declaration of A God of Moral Perfection and Muslims abandon Islam or go to extinction as a species. By embracing this message that only a God of Moral Perfection is God can mankind save itself from extinction. The proclamation of this Declaration will be an historical event that will change the future of mankind. Indeed it will guarantee that there will be a future for mankind.

The Destruction of Islam with Just One Word

Banality of Evil: Banality of Silence

In this book the Last Prophet demonstrates;

Why the slaughter of 2,973 on 9/11 meant no more to Muslims then stepping on 2,973 ants.?

Why a Muslim can never be President of the United States ever?

Why all black males will be castrated commencing the extermination of the black race if Islam conquers the World?

Read The Treaty of Washington: Surrender of United States to Islam. In God We Trust Will Be In Allah We Trust.

Why teaching children Islam is child abuse?

The Islamic Republic of The United States of America and Islamic Republic of Europe. The nightmare of an Islamic takeover by Muslims of the United States and Europe is described in vivid detail.

How Sharia Law will replace the US constitution becoming the rule of law governing every aspect of every American's life.

How stealth censorship is destroying freedom of speech.

Why only by declaring that God is a God of Moral Perfection can we prevent this Islamization disaster of the West?

A revolutionary revolution in the conception of God.

If God exists then God is great. It is the so-called "men of God" who are not great.

Why Islam is a total renunciation of God and worships Allah (AntiGod) of the Muslims?

Why in Islam, all nonMuslims (kafirs) are vile subhumans with absolutely no humanity? Muslims can murder kafirs, rape and enslave their wives and daughters, loot their property. These are not crimes but holy, divine, blessed acts guaranteeing accession to a Paradise filled with big breasted, lustrous eyed virgins who regenerate as virgins after each sex act with these Muslim killers sporting eternal erections.

Honor thy father or be murdered. Why honor killing is honorable in Islam?

Why Barack Obama will not expose the evil of Islam, but instead will make it mainstream and grant this evil ideology respectability?

Why Colin Powell is the ultimate dhimmi's dhimmi?

Why Western Civilization is the greatest civilization in history?

Why rape jihad is being waged against kafir women across Europe?

Why the boys from Mumbai will soon be followed by the boys from New York and the boys from London?

And much more.
