Pet Sematary Stephen King

Don't miss the classic tale from King of Horror and #1 *New York Times* bestselling author Stephen King, described by *Publishers Weekly* as “the most frightening novel Stephen King has ever written.”

When the Creeds move into a beautiful old house in rural Maine, it all seems too good to be true: physician father, beautiful wife, charming little daughter, adorable infant son—and now an idyllic home. As a family, they've got it all...right down to the friendly cat.

But the nearby woods hide a blood-chilling truth—more terrifying than death itself...and hideously more powerful.

The Creeds are going to learn that sometimes dead is better.
