The Collaborative Teacher: Working Together as a Professional Learning Community seeks to change education from inside the classroom. Using insights from a variety of experts who have implemented and sustained collaborative cultures of continuous improvement in schools around the nation, this anthology offers best practices, expert insight and testimonials, and supporting research to show the benefits of collaboration in creating a school that reaches all students. The time of exclusive top-down leadership is over; only teachers can transform education from inside the classroom. *The Collaborative Teacher* defines best practices of collaborative teacher leadership in a Professional Learning Community. Specific techniques, supporting research, expert insight, and real classroom stories from experienced practitioners combine to illustrate how to work together for student learning, create a guaranteed and viable curriculum, and use data to reach all students.
