Alphaprints: Colors Roger Priddy

A blue whale swimming through a blue ocean and a yellow snake slithering in a yellow desert are just two of the rainbow array of colorful creatures to discover in this innovative and engaging first colors book. Each animal is created by adding fun photographs of everyday things for children to spot to big, bold fingerprints, which have raised embossing for little hands to touch, feel, and explore. With easy-to-turn, graduated pages that feature eye-catching, multi-colored foil edges.
