In this rendering of the beloved song Take Me Out to the Ballgame, Jim Burke captures an exciting era of America's favorite pastime - as well as the incredible story of one controversial contest that went down in the history books: In 1908, the year the anthem was written, one of the all-time most memorable match-ups in baseball history occurred when the New York Giants faced the reigning World Series champion Chicago Cubs with their greatest weapon - Christy Mathewson, the greatest pitcher in Giants history and America's first true sports superstar. Filled with fan-pleasing trivia and nostalgic paintings, here is a remarkable orchestration that brings the sights, sounds and smells of the ballpark, a century ago, vividly to life.
