**The Sentinel CEO: Perspectives on Security, Risk, and Leadership in a Post-9/11 World** William G. Parrett

**A forward-thinking approach to addressing corporate security challenges after 9/11**

*The Sentinel CEO* takes a proactive look-from the perspective of top executives-at the ways business has changed since 9/11. Filled with in-depth interviews with America's leading CEOs, security experts, public officials, and academics, this essential tool underscores how a business's core values can help it address and recover from unforeseen threats.

A revealing examination of the subtle and profound ways in which American business has changed, *The Sentinel CEO* explores a variety of risks facing businesses of all sizes that operate in a global environment. This important book includes timely discussion of growing anti-American sentiments worldwide, the avian flu, and the impact of tougher immigration enforcement on the talent pool in the United States.
