Ties That Bind Heather Huffman

Author Heather Huffman delivers a romantic comedy of friendship, love and family ties in this vibrant city adventure as a fiercely independent yet vulnerable woman with a weakness for shoes – and sexy British accents – forges a new path that will leave her forever changed.

Kate Yager never had a father, and she never minded – until her mom died. Now, acting on the name called out on her mother's deathbed, Kate has moved to San Francisco and gotten herself hired by the man she suspects to be her dad. As if a new job, new apartment, and new parent weren't enough, Kate finds herself head-over-heels in lust with a complete stranger she met at an art show. A stranger who, she later finds out, happens to work in her office.

As her relationships with her friends and father grow stronger, Kate has to confront the decisions of her past to find out whether she can love the man who gave her up, love the man who loves her truly, and even whether she can love herself.
