Ramblings of the Touched

Heather Holmes

Ramblings of the Touched Heather Holmes

This is a fictional retelling of a girl's life. She finds love online and finally finds a way to be with her love interest. This is the story of their life together and her struggles with mental illness and self mutilation, and their BDSM lifestyle. Lots of family dynamics and her struggles with coping when her mother tries to commit suicide.

From reader reviews:

Debra Richardson:

In other case, little persons like to read book Ramblings of the Touched. You can choose the best book if you want reading a book. Provided that we know about how is important any book Ramblings of the Touched. You can add knowledge and of course you can around the world by just a book. Absolutely right, due to the fact from book you can realize everything! From your country till foreign or abroad you will find yourself known. About simple factor until wonderful thing you can know that. In this era, we are able to open a book or searching by internet gadget. It is called e-book. You should use it when you feel fed up to go to the library. Let's go through.

Robert Brown:

The book Ramblings of the Touched can give more knowledge and information about everything you want. Why then must we leave a good thing like a book Ramblings of the Touched? Several of you have a different opinion about book. But one aim which book can give many facts for us. It is absolutely appropriate. Right now, try to closer together with your book. Knowledge or information that you take for that, it is possible to give for each other; it is possible to share all of these. Book Ramblings of the Touched has simple shape but the truth is know: it has great and massive function for you. You can look the enormous world by wide open and read a book. So it is very wonderful.

Cory Marshall:

Do you have something that that suits you such as book? The book lovers usually prefer to choose book like comic, quick story and the biggest the first is novel. Now, why not trying Ramblings of the Touched that give your pleasure preference will be satisfied by simply reading this book. Reading habit all over the world can be said as the means for people to know world better then how they react towards the world. It can't be said constantly that reading behavior only for the geeky man or woman but for all of you who wants to end up being success person. So , for all you who want to start reading as your good habit, you are able to pick Ramblings of the Touched become your current starter.

Danny Floyd:

As a college student exactly feel bored to reading. If their teacher asked them to go to the library or make summary for some publication, they are complained. Just tiny students that has reading's heart or real their pastime. They just do what the professor want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that looking at is not important, boring and can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Ramblings of the Touched can make you sense more interested to read.
