The Forest at the Edge of the World Trish Mercer

Captain Perrin Shin, assigned to village Edge of the World, is out to do more than command the new fort. He's determined to uncover the mystery of the Guardians: where they live, why they attack, and what they want. Suspiciously, none of their behavior has ever made sense.

Mahrree Peto, a teacher in Edge, is also growing suspicious. Of the Administrators who promise to eradicate the Guardians, and of the arrogant captain they sent to protect Edge. It's hard to know who to trust.

The most powerful man in the world is also fascinated by trust, and precisely what it takes to destroy it. He's looking for research subjects, and up in Edge a brash captain and a nosy teacher have caught his attention. Let the experiment begin.

Part fantasy, part adventure, part humor, part romance, part mystery all equates to a wholly entertaining and unique family saga.

Think you know who to trust?

Think you know the color of the sky?

Probably not . . .
