After weeks of being grounded, Karen is finally free. And her timing couldn't be better, because the biggest party of the year is just around the corner. Things are definitely heating up in the small town of Hidden Hills: not only has Maddie Braun, the most popular girl in school, asked Karen to help her with a "little favor", but super-hot soccer player Anthony Sartorelli has been showing serious interest in Karen.

But Maddie seems to know more about Anthony than she's letting on, and something suspicious is going on with the English teacher who just gave Maddie an F in class. To get to the bottom of things, Karen decides to investigate, only to discover that some people at Roosevelt High have some very deep, dark, and dangerous secrets.

Whoever thought that grades weren't a matter of life or death never attended Roosevelt High, and Karen quickly discovers that she may be too late to save Maddie's grades . . . and their lives. Who can she trust? And who is lying? Worse yet, who is willing to do anything - no matter how drastic - to keep a secret?
