Loving Josie: A Torey Hope Novel A. D. Ellis

This is a stand-alone novel and does not need to be read in order. Josie Decker has spent her whole life as an unloved and unwanted bother. Like a wild horse captured and bridled, Josie's spirit is broken. She devises a plan to start her life anew; silently biding her time, she waits for the perfect moment. When that moment arises, Josie takes the opportunity and runs freely into an uncertain future in Torey Hope. Kyle Martin is a tattooed, pierced, bad boy with a heart of gold. Marching to the beat of his own drummer, Kyle meets his perfect match early on in life. Devastating circumstances beyond his control plunge Kyle into dark despair and suffocating blackness. In an effort to escape the blackness, Kyle accepts an offer from an old friend and moves to Torey Hope. Josie and Kyle hit it off as close friends and kindred spirits right away. Both are harboring secrets and sadness, but the connection between them is bringing light back to their smiles, their hearts, their lives. Kyle and Josie cling to each other as they battle guilt and crushed spirits. Through it all, with a lot of help from an unexpected accomplice, Kyle and Josie come to view each other in a new light. When the past catches up to them and causes their lives to come crashing down, will Kyle and Josie get the chance to see where their future is headed? Or will they be forced to admit they waited too long to embrace what was right in front of them the whole time? A heart-wrenching and heart-warming love story of cherishing the past while embracing the future. For ages 18+ due to adult language and situations.
