Under Color of Law: The Astonishing Record of Murder, Mayhem, Thuggery, Thievery, Depravity, and Corruption From Those Who Take the Oath to "Serve And Protect" by Rex Silex

True Stories of Criminal Cops from every state in the United States. This book explores the amazing patterns of criminal behavior engaged in by members of Law Enforcement, committed under color of law, complete with live links to actual news accounts of their crimes, from the petty to the most grievous.

Some humorous, some absolutely shocking, all committed by Cops, from the lowest level patrol officers to Chiefs of Police.

Everyone has heard at least one story of a corrupt cop, but who could know how pervasive the culture of corruption is? The author of this book confronts the fact that criminal acts under the color of law are not anomalies, but rather they permeate all levels of Law Enforcement and all communities from the one horse towns of America to the largest cities in our country.

Beware, once you open your eyes to it, you won't be able to avert your gaze. You won't be able to un-know what you've learned. Read each story, click on each link. The story will spill out in unmistakable color. Not only are innocent citizens at risk, but some experts estimate that 40 % of the families of cops are victims of domestic violence.

From driving drunk, to burglary, robbery, rape and murder, you'll find examples in this book. This is just a modest sampling, a couple hundred cases of officers of the law convicted of breaking it, but there are literally thousands more. This is the tip of the Iceberg.

For your sake, for your daughters, your sons, wives and even grandparent's sakes, read on. Like any other criminals, you can learn what to look for, and what not to fall for when confronted with a corrupt law enforcement official.

Corruption cannot stand up to the light of day. This book shines a light on the scurrying cockroaches that prey on innocent citizens and their fellow criminals alike.
