## **What's It Like to Be Married to Me?: And Other Dangerous Questions** Linda Dillow

Dillow understands that most women want more from their marriage--but don't know how to get it. In her biblical and entertaining style, Dillow shares the best and worst things she ever did in her fifty-year marriage. She also shares responses from her survey for five hundred wives about choices they've made in their relationships. With a reflective study guide included, this is not a book about marriage; it is a book about how to live out marriage, day-by-day and year by year. Readers will come away with hope that they can be the wives they want to be, in a marriage filled with passion, intimacy and joy.
