**Introduction to International Relations: Enduring Questions and Contemporary Perspectives** Joseph Grieco, G. John Ikenberry, Michael Mastanduno

Based on many years of teaching international relations courses and long-time collaboration between the authors, this major new text provides an authoritative introduction to international relations and to the long-standing questions that have engaged generations of IR scholars and students. Boxed features in each chapter help students navigate the 'levels of analysis', view the world from multiple perspectives, and 'make connections' between theory and practice, past and present, and aspirations and reality.
