This at-home guide to cope with the new millenium describes preparation and coping that will be useful to every person in America. The author briefly explains the disruptions due at the rollover of the century/millenium. His concentration is on preparation, though. The Y2K disruptions will best be weathered with thoughtful steps taken to ensure the safety and adequacy of shelter, food, water, health care, and security. Those steps are described here, as well as ways to cope with the unusual economic aspects of life during the disruptions.

This book helps the reader determine what Contingency Plan of preparation and coping will work best for him or her. It provides recommendations, tips, and unique approaches for all the major areas that may be problematic during the Y2K disruptions.
