Antibacterial Products: Why Use Them?: How to Make Great Antibacterial Products from Scratch

Taylor Minott

As the debate rolls on the usefulness or lack thereof, antibacterial products have never been so popular in today's society. The plethora of these goods in consumer shops worldwide has sparked countless arguments for and against the use of these products in our daily life. "Antibacterial Products: Why Use Them?" gives the reader insight into the world of antibacterial products, ranging from soaps to cleaning products. From the benefits of using these products, to how to make your own soap (step-by-step), to earning income on homemade soap, this book will simultaneously educate and intrigue readers.

The author does not give a direct opinion but leaves the reader to ponder the usefulness of antibacterial products and which side to take up in this appealing debate. The book is a great introductory text to what antibacterial products are and how they fit into our world.
