Developed in collaboration with the International Baccalaureate Organization, Oxford's Course Companions provide extra support for students taking IB Diploma Programme courses. They present a whole-course approach with a wide range of resources, and encourage a deep understanding of each subject by making connections to wider issues and providing opportunities for critical thinking. With features and activities that encourage active learning and critical thinking, this book will improve skills across a range of areas. This Course Companion places the subject in a broader context, with features about famous figures in business and management, as well as a strong emphasis on Theory of Knowledge. International case studies are used to enhance the syllabus content and bring the real world consequences of business to light. Group and individual activities and a bank of examination-style questions are also included.
